

# PINOT NOIR

**IT'S THE  
TAKE  
ANYWHERE**

It's the crackle of the first fire of the season.  
It's an open tee box on a sunny Sunday afternoon.  
It's the perfect reason to take world class Pinot Noir with you, anywhere.

It's the take anywhere Pinot Noir.  
It's freshly picked cherries, your favorite cola, leather, & spice.  
It's lively, juicy, adventurous, and it's bags are packed.  
It's ready to go with you.
