## Winemaker's Tasting Notes

“Aromas of toasted oak and white pineapple with subtle notes of spice and pear. The palate is layered with notes of tangerine, vanilla, and minerality. Complex and creamy notes are balanced by acidity that adds length to the finish.”

## Vintage & Vinification Notes

2019 was a cool and “classic” Willamette Valley vintage. Moderately cool temperatures were the common theme throughout the growing season; extending the start of harvest into late September. Bright and sunny days with cool dry nights were observed the latter half of September and into October giving the grapes the final push to perfect ripeness. Fermented and aged in both French oak barrels and stainless steel tanks for 9 months. The richness and creamy texture on the palate is balanced by bright acidity and fruit notes from the stainless steel fermentation. This Willamette Valley Chardonnay encapsulates the true beauty and uniqueness of Oregon.
