

# PINOT GRIS

**IT'S THE  
TAKE  
ANYWHERE**

It's June and the Salmon Flies are hatching on the Deschutes River. It's toes in the sand and your favorite book.

It's the take anywhere Pinot Gris with a little spritz.  
It's a fresh rain, open meadow, honey dew, lemon & tangelo.  
It's fresh, bight, balanced, and it's bags are packed.  
It's ready to go with you.
