Winemaker's Tasting Notes

“Aromas of plum, white pepper, and raspberry. The palate is bright and balanced with notes of ripe strawberry, orange zest and white plums. Textured in the mid-palate with vibrant acidity to give the wine a bright finish.”

Vintage & Vinification Notes

2020 was a wild ride of a year. The growing season started out warm, but temperatures cooled as Spring rolled in. From that point on daytime temperatures were moderately warm followed by cool evenings.

These mild temperatures allowed the vines the opportunity to focus on developing more complexity and flavors in the fruit. So while the overall quantity from the 2020 harvest is down in comparison to years past, the quality remained exceptionally high. Pressed and racked into stainless steel vessels for a long and cool fermentation. Vibrant and complex, this 2020 Pinot Noir Rosé is the perfect compliment to the beauty of a true Oregon summer.
