- Harvest Dates: 9/20/2021 - 10/3/2021
- Alcohol: 13.5%
- Cases Produced: 7,000
- **91 pts Editors' Choice, Wine Enthusiast**

Winemaker's Tasting Notes

“Aromas of Asian pear, baking spices and white flowers on the nose. The palate shows notes of white peach, mandarin orange, honey and a subtle hint of pineapple. Vibrant and balanced with an expressive finish.”

Vintage Notes

Marked by two major heat waves during the year, 2021 brought new record high temperatures all across Oregon. While slightly worrisome in the moment, the 2021 vintage is quickly gaining momentum as one of the best vintages ever for many winemakers in the valley. The month of September is what helped this vintage shine. The Willamette Valley saw a return to average cool-climate temperatures for the entire month. At night the cool air allowed the grapes to ripen slowly, keeping acid levels high while still balanced with the sugars. Fermented and aged entirely in stainless steel tanks, this allowed the wine to maintain the brightness and crisp acidity often found in Willamette Valley Pinot Gris.
