WESTMOUNT 2020 Chardonnay

Vintage Notes

2020 was a wild ride of a year. The growing season started out warm, but temperatures cooled as Spring rolled in. From that point on daytime temperatures were moderately warm followed by cool evenings.

These mild temperatures allowed the vines the opportunity to focus on developing more complexity and flavors in the fruit. So while the overall quantity from the 2020 harvest is down in comparison to years past, the quality remained exceptionally high.

Winemaker's Tasting Notes

“Aromas of star jasmine and prickly pear. The palate is balanced and layered with notes of guava, citrus, and a light touch of oak. Complex and creamy notes are balanced by acidity that adds length to the finish.”
