- Alcohol: 12.9%
- Cases Produced: 2,000
- **90 pts James Suckling**

## Winemaker's Tasting Notes

“Aromas of violet, plum, white pepper, fresh blackberry, and raspberry. The palate is bright and balanced with notes of minerality, white nectarine and plums. Beautifully balanced in the mid-palate with vibrant acidity to give the wine a lively finish.”

## Vintage & Vinification Notes

Marked by two major heat waves during the year, 2021 brought new record high temperatures all across Oregon. While slightly worrisome in the moment, the 2021 vintage is quickly gaining momentum as one of the best vintages ever for many winemakers in the valley. The month of September is what helped this vintage shine. The Willamette Valley saw a return to average cool-climate temperatures for the entire month. At night the cool air allowed the grapes to ripen slowly, keeping acid levels high while still balanced with the sugars. Vibrant and complex, this 2021 Pinot Noir Rosé is the perfect compliment to the beauty of a true Oregon summer.
