WESTMOUNT 2023 Gamay Noir

Winemaker's Tasting Notes

“Bursting with vibrant aromas of fresh cherry, wild raspberry, and a hint of rose petals. Bright cranberry and pomegranate flavors on the palate are framed by lively acidity and delicate notes of white pepper and thyme. A clean, refreshing finish makes this wine as versatile as it is expressive.”

Vintage Notes

The season began with a slow start due to cool spring temperatures, but an unusual warm spell in May quickly accelerated vine growth. The early warmth followed by stabilizing summer temperatures allowed for excellent ripening conditions. Harvest commenced around mid-September for many, just slightly earlier than usual. Overall, the 2023 vintage from the Willamette Valley is shaping up to be a memorable one.

Vinification Notes

Fermented in stainless steel tanks and aged in a combo of small stainless steel vessels and neutral French oak barrels for 9 months.
